

MIKE HAMILTON

AI Speaker · Media Entrepreneur · Creator-Technology Builder — Waco, Texas

“AI and tech for people who remember dial-up.”

ABOUT

Mike Hamilton is a 50-plus media entrepreneur, AI speaker, and creator-technology builder based in Waco, Texas. He founded **Rogue Media Network** — an independent network of 200+ shows across all genres — and hosts **Seasoned.Tech**, a weekly YouTube channel and daily newsletter that explains AI and creator tools honestly for people who “remember dial-up.” He builds his own AI-powered products and speaks on practical AI, media workflows, and getting seen in AI search.

WHY THIS TALK LANDS

- **A working operator, not a full-time act.** He runs the network on the exact tools he teaches.
- **He names the catch.** Every tool has a downside; he says so before you spend a dollar.
- **Plain English.** No jargon walls — the room leaves able to actually use it.

RECENT STAGES

- **YOU × AI Summit** — practical AI for creators & businesses
- **Podfest Expo 2024** — speaker session

SIGNATURE TALKS

AI FOR PEOPLE WHO REMEMBER DIAL-UP

Why experience is an advantage in the AI era — a confidence-building talk for the over-50 professional and creator.

RUNNING A MEDIA COMPANY ON AI

The exact workflows behind a 200+ show network: scripting, production, distribution, community — with the honest tradeoffs.

GETTING SEEN IN AI SEARCH

How ChatGPT, Perplexity, and Claude decide what to cite — and what creators and small businesses can do now.

TOPICS

Practical AI · Creator technology · Media & production workflows · AI for the over-50 professional · AI search visibility (GEO / AEO)

FORMATS

Conference keynote · Breakout · Workshop · Panel · Fireside chat · Virtual. Every talk is tailored to the audience.

NO HYPE · REAL TRADEOFFS · ALWAYS THE CATCH

Audiences trust Mike because he runs the business he talks about. They leave with tools they can use on Monday — and an honest read on what each one actually costs.
